IMPORTANT INFORMATION ABOUT YOUR TRAMPOLINE WARRANTY

If you purchased your trampoline directly from Springfree® (either at the Springfree® Trampoline online webstore or from one of our company sales offices) you are automatically registered for warranty. However, if you purchased via one of our authorized retailers you will need to register to validate your warranty (within one (1) year from the date of purchase). In addition to validating your warranty, when you register your Springfree® Trampoline you can also sign up to receive important news, product updates and promotions. Registered customers are given a profile that allows for easier technical support and also allows us to contact you with important product notifications. To register your product, locate and contact your nearest Springfree Trampoline customer service center at www.springfree.com or go to

<http://springfr.ee/w-reg>. In order to

complete your registration, you will need to provide your name, address, trampoline model name, serial number, date and place of purchase and a scan of your purchase receipt. We recommend that you keep your purchase receipt in a safe place to ensure you have this information. The frame serial number is located on one of the frame sections and one of the legs (1 & 2). SPRINGFREE TRAMPOLINE LIMITED WARRANTY

WHAT IS COVERED

Springfree Trampoline and its authorized service partners warrant your Springfree Trampoline against original defects in material and workmanship. All components of the trampoline are warranted for ten (10) years from the date of purchase (proof of purchase required). This warranty is only valid when used for private household purposes in accordance with the Springfree Trampoline Owner's Manual. This warranty provides, at no extra cost to you, all parts necessary to ensure your trampoline is in proper working condition throughout the 10 year warranty period. You are entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.
