

The public have spoken, Kiwi Invented Springfree Trampoline wins 2022 Product Review Award

Springfree Trampoline is the only brand in its category to receive this prestigious award

1st December 2021: The world's safest trampoline, Springfree Trampoline, has been awarded a 2022 ProductReview Award, as decided based on its exceptional customer feedback from top independent review platform ProductReview.com.au.

The ProductReview.com.au annual awards acknowledge the products and services that have been highly rated among independent, unbiased consumers at ProductReview.com.au, a leading and preferred consumer review platform for retail goods and services.

Springfree Trampoline General Manager Megan McKenzie says "We are incredibly proud to have received this award. At Springfree, honest customer feedback is extremely important and it is essential to ensure we continue to provide families with peace of mind and great experiences the world's best and safest trampoline can bring. This truly is a reflection of the passion all our staff value when it comes to providing families a premium, durable product that is fun and safe. We are so pleased customers continue to share Springfree Trampoline as their product of choice even 15 years on!"

Springfree Trampoline is the only one out of thirty-two eligible trampolines featured on ProductReview.com.au to receive this accolade for 2022, and this comes after having been awarded as Consumer NZ Trusted Business and Consumer Recommended Trampoline earlier this year, with the Springfree Medium Round being the only trampoline in the country to have no safety failures for a third consecutive time.

Springfree Trampoline is available in a range of shapes and sizes to fit any backyard. Customers can select the perfect trampoline for their space, using its innovative augmented reality technology, allowing customers to virtually place the trampoline in their backyard. Springfree Trampoline also offers a range of trampoline accessories, including its popular FlexrHoop ball and hoop set.

Having amassed over 500 five-star reviews at ProductReview.com.au, Springfree Trampoline's safety features, longevity, ten-year warranty on all components and quality are some of the clear appealing factors separating Springfree Trampoline from all other trampoline brands.

The exceptional customer feedback demonstrates that Springfree Trampolines are well worth the investment. With summer upon us and Christmas around the corner, now is the perfect time for families to invest in a Springfree Trampoline, a quality gift that will last a lifetime.

As one of the most comprehensive consumer opinion site, ProductReview.com.au provides independent, unbiased consumer feedback, allowing consumers to make better informed shopping choices.
